

Mr. Ahmar Bilal Soofi

Mr. Soofi is an Advocate of the Supreme Court of Pakistan and is the Managing Partner of ABS & Co. which has consistently been ranked as one of Pakistan's leading law firms by 'Legal500' and 'Chambers & Partners'.

During the caretaker setup in 2013, he served as the Federal Minister for Law, Justice & Parliamentary Affairs. He also served as the Chairman of the Advisory Council of United Nations Human Rights Committee in Geneva and has previously advised the Government of Sri Lanka. He is the founding President of Research Society of International Law and is a Member of Panel of Eminent Experts of OIC. He also holds the office of President of WWF Pakistan.

Mr. Soofi has appeared before International Courts including ICC & ICSID, the US District Court, UK Commercial Court and the War Crimes Tribunal. As Pakistan's Council/Agent, he won the RMI case before the International Court of Justice (ICJ).

He is a distinguished faculty member at National Defence University, Islamabad and is also invited frequently to lecture on various aspects of International Law issues relating to Pakistan at command and Staff College Quetta, National Management College Lahore, Navy War College Lahore and several other institutes. He remained a visiting Professor of International Law at the Punjab University for over 10 years.

Mr. Soofi has also delivered talks and lectures at venues like International Development Organization Rome, Regional Centre for Strategic Studies, Sri Lanka, Shanghai University China, Fletcher School USA, Royal United Services Institute, London.

He has published over 100 articles and comments in leading newspapers and journals of Pakistan and is frequently invited by electronic and print media for expert comments on International Law issues.

He graduated from Government College Lahore with Roll of Honors and later did his LLB from Punjab University Law College and his LLM from the University of Cambridge, UK.
